

PACIRA BIOSCIENCES, INC.

SCIENCE AND TECHNOLOGY COMMITTEE CHARTER

A. Purpose

The purpose of the Science and Technology Committee (the “Committee”) of the Board of Directors (the “Board”) of Pacira BioSciences, Inc. (the “Company”) is to assist the Board’s oversight of the Company’s research and development activities and to advise the Board with respect to strategic and tactical scientific issues.

B. Membership

1. Appointment and Removal. The Members of the Committee shall be appointed by the Board and shall serve until a successor is duly elected or the member is removed or resigns. A member of the Committee shall be automatically removed if (a) the member is no longer a director in the Company, or (b) is ineligible because of other rules or requirements. Committee members may otherwise be removed or replaced by vote of the Board.
2. Number and Qualification. The Committee will be comprised of at least two directors.
3. Chair. The Board shall elect a Chair of the Committee.
4. Compensation. The compensation of the Committee shall be as determined by the Board.

C. Authority and Responsibilities

1. General. The Committee shall discharge its responsibilities, and shall assess the information provided by the Company’s management, in accordance with its business judgment.
2. Research and Development Matters. The Committee shall consider and report to the Board periodically on matters relating to the Company’s research and development initiatives and other appropriate strategic and tactical scientific issues. The Committee may at its discretion:
 - a. review the overall scientific and research and development strategy of the Company;
 - b. review the Company’s research and development programs;

- c. review external scientific research, discoveries and commercial development as appropriate;
- d. review the attainment of key R&D milestones; and
- e. have such other duties as may be delegated by time to time by the Board.

D. Meetings

The Committee shall meet at least twice annually and as often as it deems necessary in order to perform its responsibilities. The Committee or Corporate Secretary shall keep records of its meetings as it shall deem appropriate.

E. Independent Advisors

The Committee is authorized, without further action by the board, to engage such independent advisors as it deems necessary or appropriate to carry out its responsibilities. Such independent advisors may be regular advisors to the Company. The Committee is empowered, without further action by the Board, to cause the Company to pay the compensation of such advisors as established by the Committee.

F. Company Participation

The Committee will interface directly with the Chief Medical Officer and may from time to time request any officer, employee or advisor of the Company to meet with the Committee or any advisors engaged by the Committee.

G. Limitation of Committee's Role

The Committee's role is one of review and oversight. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to address day-to-day scientific issues. These are the responsibility of management.

H. Periodic Self Evaluation

The Committee shall periodically evaluate its own performance.
